## Practical 4: Video Editing

### Video Link:-

<https://canva.link/3bxg2ipru4zjoim>

### Video Description:

The video is a promotional short showcase highlighting major geographical, spiritual, and natural attractions in the state of **Gujarat, India**. Through dynamic aerial map transitions and scenic drone shots, it presents notable landmarks including the Somnath Temple along the coastline, the contrasting seasons of the Rann of Kutch, and the wildlife within the Gir Forest.

### Key Highlights

#### 1. Somnath Temple

- **Location Question:** Asks "*Where is 1st Jyotirlinga in India?*" while zooming into the coastal region of Gujarat.
- **Aerial View:** Showcases dramatic aerial/drone footage of the ancient Somnath Temple situated along the edge of the Arabian Sea.

#### 2. Rann of Kutch (Seasonal Contrast)

- **Winter:** Displays a road stretching across the water-filled, flooded salt flats during the winter/monsoon period.
- **Summer:** Transitions to show the same road amidst the vast, dried white desert of salt during summer.

#### 3. Gir Forest

- **Landscape:** Shows lush green mountainous forest landscapes.
- **Wildlife:** Features natural wildlife sightings, including a grey langur monkey resting along the roadside.
